

New Internet Service – Holiday Lettings

We are offering a free trial period to advertise your holiday property on our web site. Our web site currently receives over 30,000 hits per month as the fastest growing estate agency in South London. We have had a holiday lettings page for several years but we are now developing it into more comprehensive service.

As a new service, we are offering a free trial period of one year to the first 100 property owners to include photographs, floor plans, a link to your website and a form for people to send enquires directly to your email address.

Please feel free to visit our website - www.woosterstock.co.uk to see how we work. We are currently re-designing our holiday lets page to incorporate more details, a search facility and a clearer layout, similar to the way out current property pages work.

If you would like to advertise, please complete the enclosed form(s) and return to us either by post or fax (020 7732 2650). If you have more than one property, we require a separate form for each one. Please read the instructions regarding sending images to us at the end of the form. We will send you the details of your property for approval before we make it live on the site.

Many thanks

Kindest regards
